TESTIMONIALS

Tamra,

Thank you for doing an incredible job. I can't decide which was better the finished product or the process. The sheets are great and will be used in so many ways. The process was pleasant, encouraging and insightful. Your questions and exercises caused me to think through things and explore ideas I would never have discovered without you. You are a joy and delight to work with, Tamra you are the best. Thank you and many blessings.

George Carr

Dear Tamra,

Thank you, with all of my heart, for helping me capture the essence of Who I Am and what my true purpose is. From the moment I met you, I knew that you were the person who could help me gather the pearls, capture the Essence and shine the Light on where I am now in my own Divine Journey.

Since I started my journey of transformation through the Gene Keys Golden Path two years ago, I am in a completely different place than I was when I began. In some ways trying to integrate all of my teachings over the past 30 years was creating chaos in my mind. Working with you on my Speaker Sheet has helped me make the transition and integration. Now I have clarity, direction, and purpose.

I am so grateful to you and Nicole. I am looking forward to receiving my beautifully designed graphic template to enhance my speaker sheet as I grow and evolve personally and professionally.

Thank you again for you and the genius that pours through you, out into the world, and on to our one sheets that helps us shine.

*With love,
BJ Garcia*

Move Out of the PAST for a Fulfilling Future

Five Revelations for Core Health

The Spiritual Tent Maker
George M. Carr

Do I genuinely accept and love myself? Why do I depend on the approval of others? Do I have what it takes to handle life's challenges? What do I do with painful memories?

"All are holding on to pain they would like to release, typically from other people or difficult circumstances. In order to deal with pain- it must be acknowledged, then followed by a clear decision to release the person or event. This allows us to leave the past, move into the present, and enjoy the future."

The Divine Journey to an Enlightened and Transformed Life, *Through the Gene Keys Golden Path*

BJ Garcia
Author, Speaker,
Inspirational Teacher

“It’s never too late to discover your gift, unwrap, embrace, and present it to the waiting world.” - BJ Garcia

- Who am I and what is my purpose?
- Why do I fall back into self-sabotaging patterns?
- What is the key to open my true potential?

The Divine Journey leads us to ask this pressing question; “Who am I, and what is my true purpose?”

Far too often we reach a stage in life where we feel trapped by work, family, and relationship obligations and ignore that persistent voice of childlike wonder-searching for the dream hidden in the deep recesses of the heart. How can we transform the layers of false beliefs that have conditioned us and embrace the gifts of our true nature which are concealed in our DNA?

This is the Divine journey, and a topic near and dear to the heart of author and inspirational speaker, B.J. Garcia.

BJ is an international teacher with 30 years experience in spiritual/psychological instruction, certified in Advanced Neurolinguistics, Advanced Clinical Hypnotherapy, Investigative and Forensic Hypnosis and the Enneagram. She worked with the Texas Department of Criminal Justice, bringing her Enneagram-based program, Freedom Beyond Bars, to the Parole Division, state and county jails. B.J. served as a certified mediator with the TDCJ Victim/Offender Mediation Dialogue Program for crimes of severe violence. She is a certified Practitioner of Essential Feng Shui and is an ambassador of the **Gene Keys Golden Path, a transformational journey, Unlocking the Higher Purpose Hidden in your DNA,** pioneered by Richard Rudd.

BJ’s book, *The Divine Journey, to an Enlightened and Transformed Life Through the Gene Keys Golden Path* will be available nationwide, spring of 2016.

BJ Garcia is available to

Speak to:

Individuals, Families,
Communities, Churches, Schools,
Educational Systems, Criminal
Justice System, Businesses,

- Waking Up to the Truth of Who You Are - Unlocking the Highest Purpose Hidden in Your DNA

Endorsements:

Since working with BJ Garcia, I am ready to face all my fears. Most importantly she has helped me recognize my core wound of guilt, which has been running unconsciously all my life. She set in motion my ability to see it, hear it as it is spoken, and feel the sensation of guilt within my body so it can no longer hide from my awareness. Now the natural flow of Life can happen spontaneously!

Kris Martin, Educator and Author of Love Speaks by the Illustrious.

BJ Garcia is so well prepared in her field that she has been my chosen guide and mentor for my own path. I especially want to mention my gratitude for her work here in Mexico and inviting me to enter into the prisons where she powerfully presented the Enneagram. I am graced to have her in my life.

LIC. Karen Ceballos, Enneagram, Affinity and YogaTeacher.

I am on a spiritual path, with a very busy career! BJ has an innate ability to organize and optimize complex ideas to make learning easy and accessible. Thank you BJ- I am looking forward to continuing my work with you.
