## **Ann McIndoo's "Author's 21-Day Challenge" Teaches You How to Become an Author in Less Than a Month**

*Fast track to being the next high-flying author*

**May 4, 2022** – [Ann McIndoo](#), the Author's Coach, shares her knowledge and wisdom to aspiring authors who want to succeed as a published author through her [Author's 21-Day Challenge](#) program, which has produced 1,637 books and nine movies from book manuscripts until now. It is a proven step-by-step guide on [how to become a published author](#) in a very short period.

Ann McIndoo, the reputed Author's Coach and founder of So, You Want to Write! has bundled all the strategies, tools, instructions, and exercises she follows when creating a bestseller into a simple, yet efficient, 21-day program. This book writing program provides aspiring authors with a quick and simple process to reach their publishing dreams.

The program segregates the entire book writing process into three main steps: organizing the content, developing the book's structure, and talking – not writing – their book. The program includes a series of six online coaching sessions with Ann, where she guides the participants through the entire process step-by-step. In addition, authors enrolled in the Author's 21-Day Challenge will also receive a workbook, Ann's Bestseller "How to Write Your Book" as well as her highly sought after training guide: How to Write "On Demand", a 21-day schedule that helps the author break down the entire process into daily tasks that results in a well-written book.

Tools and winning strategies required for editing, publishing, marketing and promoting the book will also be shared.

Author's 21-Day Challenge participants will additionally receive to three exclusive bonuses:

1. Live call with Ann to learn the optimal way to utilize the marketing and promotional tools received with the program.
2. Discussion session with Ann on selecting the best publisher for a book and receiving her "Publisher Comparison Chart" created by her.

3. Live call with Ann to discover the strategy of converting the written book into a lucrative passive income. During the call, the coach will reveal the methods that can be used to monetize the book using ancillary products.
